BASIC INFORMATION

AGE : 28
CIVIL STATUS: SINGLE
ADDRESS: MULAWIN HEIGHTS ORANI BATAAN

EXPERIENCE

TECHNICAL SUPPORT • AMAZON • OCT 2020 – TO – NOV 2022

In this example, the objective statement clearly communicates the candidate's goal of providing excellent customer service and resolving technical issues. It also highlights their technical expertise, troubleshooting skills, and communication abilities, which are all essential for success in a technical support role.

When writing an objective statement for a technical support job, it's important to emphasize your technical skills and experience, as well as your ability to communicate clearly and effectively with customers. You may want to mention your experience with hardware and software troubleshooting, network configurations, and remote support tools.

LINE COOK • JENKINSON'S(OJT) • SEPT 2016 – TO SEPT 2017

A line cook is a person who works in a restaurant or food service establishment as part of the kitchen staff. They are responsible for preparing and cooking a variety of dishes, and ensuring that they are cooked to the appropriate temperature and presented in an appealing manner.

GRAPHIC ARTISTS • INSTAMUG • SEPT 2014 – TO SEPT 2015

Creates designs for clients that visually communicate desired product or project messages. Designs may be used in various visual media including magazines, billboards, advertising, restaurant menus, and product packaging.
